## BLOSSI TABLE

Design: Sofie Refer, 2019. EU-model.

**Blossi Table in mouth blown Opal White glass and Black finish.**

Inspired by the golden light during the Nordic fall, Blossi Collection is designed to give an indirect and soft light.

A special recessed LED provides a soft light reflected in the metallic finish of the shade. Blossi Collection has beautifully rounded glass lampshades that complete the soft appearance.

The Blossi collection has a wide variety of uses and is suitable for both domestic and public spaces.

**Blossi Table** works beautifully as a classic desk light as well as in any interior decoration for an over all ambience.
